GRADUATE ASSISTANTSHIPS & SCHOLARSHIPS

Graduate Assistantships
A limited number of graduate assistantships are available to qualified graduate students. Interested students should contact their graduate coordinator to determine the availability of assistantships. All hiring decisions are made by the department in which the assistantship is located. To be eligible to receive a graduate assistantship, the student must satisfy the following requirements:

1. Must be a fully matriculated, degree-seeking, graduate student; certification students are not eligible, and provisionally accepted students are not eligible unless the provisions are removed before the semester begins. Exceptions must be approved by the Dean of Graduate Studies.
2. Have a minimum cumulative GPA of 3.0 for current graduate students (Graduating seniors must have an undergraduate GPA of at least 2.8.)
3. Have indicated interest in a graduate assistantship on the electronic application for admission to graduate studies.

Information regarding work hours, tuition remission, and stipends for graduate assistantships may be found on the Office of Graduate Studies (http://wcupa.edu/grad) website.

Maintaining graduate assistantships requires students to demonstrate both satisfactory performance in meeting assigned hours, dates, and responsibilities, as well as good academic standing.

Students awarded graduate assistantships who fail to maintain good academic standing (minimum GPA of 3.0) or who fail to demonstrate satisfactory job performance will have their assistantships revoked or will not have them renewed. This policy includes grades received for courses taken during summer and winter sessions. Departments may stipulate higher academic standards for maintaining assistantships.

Frederick Douglass Graduate Assistantships
These graduate assistantships are named after Frederick Douglass, a great nineteenth-century American abolitionist, writer, and frequent visitor to West Chester. Douglass gave his last public lecture at West Chester Normal School on February 1, 1895. Applicants with excellent academic credentials are invited to apply for these assistantships. Efforts are made to appoint qualified candidates from historically underrepresented and underserved populations who have leadership experiences in their backgrounds or as part of their academic goals. This consideration is in keeping with the spirit of Douglass' life of public service and the University's mission to be a source of encouragement to the African American, Native American, Hispanic American, and Asian American communities. Students with Frederick Douglass graduate assistantships serve the Frederick Douglass Institute. The awards are made on an annual basis and are renewable for a second year. Students may use these assistantships to pursue a master’s degree in one of the University's graduate programs. Interested individuals with excellent credentials should contact the Office of Graduate Studies (http://wcupa.edu/grad) by phone at 610-436-3943 or by email at graduateassistantships@wcupa.edu (gradstudy@wcupa.edu).

Residence Hall Graduate Assistants
Opportunities to serve as residence hall graduate assistants are open to all full-time graduate students. Graduate assistants live in the University residence halls and assist the full-time, professional resident director in providing direction for the personal, social, and educational development of the resident students. Residence life graduate assistants are also supervisors for student workers and serve as University judicial hearing officers. The graduate assistantship positions require a 25 hour work week (minimum) and offer a stipend, tuition remission, and a room and meal plan. Preference is given to students enrolled in the M.S. higher education counseling/student affairs program and to those with prior residence hall living experience. Applications may be made through the Office of Residence Life and Housing (http://www.wcupa.edu/residenceLife), Sykes Student Union, 610-436-3307.
