ENROLLMENT POLICY

Students have a maximum of six years for degree completion. During that time students are expected to maintain continuous enrollment during fall and spring semesters. Failure to maintain continuous enrollment may affect degree completion due to course availability. Before a semester of nonenrollment, students are encouraged to contact their graduate coordinator, graduate studies, financial aid office (if applicable), and international programs (if applicable) to discuss implications of nonenrollment. A maximum of two semesters of nonenrollment are permitted before a student must enroll or request a leave of absence. Students who fail to reenroll or request a leave of absence are subject to readmission.

Enrollment Classification

1. Enrolled
   a. Enrolled in at least 1 credit-bearing course.

The graduate coordinator must confirm a student is actively working on the completion of an IP or comprehensive exams before a student is enrolled in GSR 799.    b. Not eligible for GSR 799
   c. Students can have up to two consecutive semesters (fall and spring) of non-enrollment.

3. Leave of Absence (LOA)
