Admissions
All applicants to one of West Chester University’s graduate programs will be held to the graduate admissions requirements (http://catalog.wcupa.edu/general-information/admissions-enrollment/graduate-admissions). When applicable, additional requirements for admission into specific department program(s) may be listed below.

Admission to the program is contingent on satisfactory review of the following data. No single deficit will preclude a student from gaining admission. Analysis and consideration of all the material to document the following will be evaluated:

- The cumulative undergraduate GPA should be a 3.0 or above.
- The Graduate Record Exam should show a verbal score ranking in the 50th percentile or above. No test scores are required for students with an undergraduate GPA of 3.5 or above. Test scores may also be waived (by discretion of the graduate coordinator) for students who have successfully completed graduate-level courses.
- Undergraduate major preparation. Students in majors other than communication or its related areas (e.g., English, psychology, sociology, political science) may need to complete remedial undergraduate course work prior to starting in the program.
- Writing sample of work submitted by the student in response to past assignments, job activity, or creative endeavor
- Two letters of recommendation
- A goals statement written on the topic, "How Does Communication Knowledge Bridge My Past Experience With My Future Plans?"

Three additional items may be used to support an application for admission:

1. Work experience that indicates communication skill
2. Extra or co-curricular activities
3. Interview with the graduate coordinator and/or the graduate committee

Policies
All graduate students are held to the academic policies and procedures (http://catalog.wcupa.edu/graduate/academic-policies-procedures) outlined in the graduate catalog. Students are encouraged to review departmental handbooks for program tips, suggested course sequences, and explanations of procedures.
