

# CERTIFICATE IN HEALTHCARE ETHICS

---

The graduate Certificate in Healthcare Ethics, which requires no previous background in philosophy, offers training in moral reasoning within the medical setting for those with undergraduate degrees who meet The Graduate School's and department's entrance requirements. Students will develop skills in seeing, analyzing, and resolving problems in the healthcare field. The certificate, which can be completed in three semesters, consists of the following:

Code	Title	Credits
<b>Required Courses</b>
