Center for Women and Gender Equity (CWGE)
Since 1974, we have been celebrating, honoring, and empowering our campus community. We do this through a diverse range of educational programs, resources, and advocacy for all people.

The Center for Women and Gender Equity (CWGE) is a confidential resource where you can report incidents of sexual misconduct (dating/domestic violence, sexual assault, stalking, and harassment). We will provide you the support and resources you need to take your next steps.

Mission
CWGE promotes a campus culture and climate that supports principles of social justice, equity, inclusion, and community. We advocate for a campus community that values the safety, equality, and intellectual advancement of women and historically marginalized groups at West Chester University.

CWGE provides education, resources, and advocacy primarily on gender-related issues. We facilitate, sustain, and advance dialogue about how gender intersects with race, ethnicity, class, sexual identity, ability, age, and nationality.

Our mission is accomplished through:

• Educational programs that address a wide range of social justice issues that affect the success, well-being, and empowerment of women
• Special events, workshops, and trainings that promote awareness of the ways in which gender bias intersects with racism, classism, homophobia, and other forms of oppression
• Leadership opportunities that build confidence and provide skills to enhance the personal and professional growth of women
• Coordinating campus-wide violence prevention initiatives, including programming designed to engage men as allies in violence prevention
• Building allies and partners-in-movement through programming focused on healthier forms of masculinity and the ways in which gender impacts our everyday lives
• Confidential support and referrals for students experiencing sexual misconduct
• Information and referrals about issues that disproportionately impact women
• Advocating for systemic changes that support women and historically marginalized groups

The Center for Women and Gender Equity is located at 220 Lawrence Center. For more information, visit www.wcupa.edu/womenscenter or call 610-436-2122.

The institute prepares periodic reports on the status of women at the University and also secures Charlotte W. Newcombe Scholarship Grants for mature second-career women. The Institute for Women offers an annual grant of $750 to a woman graduate student who is accepted into a master’s degree program at West Chester University.
