Student WCU E-mail Accounts
All incoming students to West Chester University will be issued an official WCU e-mail address. Students are advised to check this e-mail account frequently since University administrators and faculty will be communicating information regarding classes, financial aid, billing, emergency announcements, and other important notifications. These e-mails will only be sent to a student’s “wcupa.edu” e-mail account and not to any other personal e-mail address.

Changes in Name or Address
Students may update their address through the Change my Address link within their myWCU (https://my.wcupa.edu) account. Detailed instructions are located on the Registrar’s website (http://wcupa.edu/registrar/documents/ManageStudentRecords.pdf).

Any student wishing to change his/her name from that currently on record must provide legal documentation supporting the change, such as: a marriage license, court order, divorce decree, etc. A driver’s license is not adequate. All name change requests must go through the Office of the Registrar (http://wcupa.edu/registrar/default.aspx). Requests for name changes received through the mail will be acknowledged by letter.

Exception to Academic Policies
Students may file a petition that requests exception to academic policies. Petition forms are available in the Office of the Registrar (http://www.wcupa.edu/registrar) and on the Registrar’s web page. Students who may request an exception because of a disability should refer to, "Services for Students with Disabilities (http://catalog.wcupa.edu/undergraduate/academic-policies-procedures/services-students-disabilities)."

The Family Educational Rights and Privacy Act (FERPA)
West Chester University is committed to protecting the privacy of its students and to maintaining the confidentiality of student education records in accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA).

Students at West Chester University are afforded the following rights regarding their education records:

1. The right to inspect and review their education records within 45 days from the date the University receives the student’s request for access.

   The Registrar has been designated by the University to coordinate the inspection and review procedures of student education records. Students must submit a written request to the Office of the Registrar identifying the item or items of their record they wish to inspect. The Registrar’s Office will contact the student as soon as possible, but no later than 45 days from the date the request was received, to arrange a time and place for the student to inspect the requested records. At the time of inspection, the student will be required to show photo identification and must inspect the records in the presence of a representative from the Office of the Registrar.

2. The right to request an amendment to their education records, if he or she believes the record contains inaccurate or misleading information.

   If a student believes his or her education record contains information that is inaccurate, misleading, or is otherwise in violation of his or her privacy rights, the student may request in writing that their record be changed. Students seeking a change of grade should refer to the Grade Appeal policy found in their undergraduate (http://catalog.wcupa.edu/undergraduate/academic-policies-procedures/grading-information) or graduate (http://catalog.wcupa.edu/graduate/academic-policies-procedures/grade-information) catalog. The written request must clearly identify the part of the record the student wants amended and must specify why the record is inaccurate or misleading. If the Registrar agrees with the student’s request, the appropriate records will be amended. If the Registrar decides not to amend the record, the student will be notified of the decision, within a reasonable period of time, and the student will be advised of his or her right to a formal hearing.
Student requests for a formal hearing to contest the Registrar’s decision must be made, in writing, to the Associate Provost. A hearing committee will be appointed and the student will be notified of the date, time and place of their hearing. The student may present evidence relevant to the issues raised and may be assisted or represented by one or more individuals of their choice, including an attorney, at their own expense. Decisions of the hearing committee, which will be based solely on the evidence presented at the hearing, will be final. Following the hearing, the committee will provide their written decision and a summary of the hearing to the concerned parties. If the decision is in favor of the student, his or her education record will be amended accordingly.

Students who are dissatisfied with the result of their hearing may place in their education record an explanatory statement commenting on the information that was under review. The explanatory statement will be maintained as part of the students’ education record and will be released when the records in question are disclosed.

3. The right to provide consent prior to the disclosure of personally identifiable information contained in their education records.

No one outside the university shall have access to, nor will the university disclose, any information from students’ education records without the students’ prior written consent, except to the extent permitted under FERPA. (See “WCU Use of Student Directory Information”.)

FERPA does establish several exceptions that allow the university to disclose student education records without prior consent. Some of these exceptions include:

• To school officials with a legitimate educational interest. A school official is a person employed by West Chester University in an administrative, academic, research, or support staff position (including law enforcement unit personnel and health staff); members of the board of trustees; third-parties acting on behalf of the university; or individuals, including students, serving on university committees. School officials are considered to have a legitimate educational interest if the student education information is necessary in order for that official to: complete a task specific to their job description/contract, perform a task related to a student’s education, perform a task related to the discipline of a student, or provide a service or benefit relating to a student.

• To comply with a judicial order or lawfully issued subpoena. The university will make an effort to notify the student in writing prior to disclosing information, unless directed otherwise by the order or subpoena.

• To persons or organizations providing the student financial aid, or who determine financial aid decisions concerning eligibility, amount, conditions and terms of the financial aid.

• To appropriate parties in a health or safety emergency.

4. The right to file a complaint with the United States Department of Education concerning alleged failures by West Chester University to comply with the requirements of FERPA.

FERPA is administered by the Family Policy Compliance Office. Student complaints can be sent to:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202-4605

5. Additional Provisions

For the purposes of this policy, the term “student” refers to any individual who has secured admission to the University in the form of a deposit, has enrolled in a course, has completed a non-degree application, or any individual who has previously attended West Chester University. The term “education records” refers to any records directly related to a student, with certain exceptions, that are maintained by the university or its agents. These records include but are not limited to grades, transcripts, class lists, student course schedules, student financial information, student identification card photo, and student discipline files.

For the purposes of record inspection and release, the University reserves the right to redact records so that personally identifiable information pertaining to other students can be removed. Pursuant to a subpoena or record request, student records shall be reviewed for all personally identifiable information related to students that are not named as part of the subpoena or request. Once identified, this information shall be redacted to ensure protection of student information as provided by FERPA.

It is the policy of West Chester University that no records of deceased students be released to third parties, unless specifically authorized by the executor of the deceased’s estate or in response to a validly issued subpoena.

Once a student restricts the release of their directory information, the restriction will remain in effect until the student makes a written request to the Office of the Registrar to reverse the non-disclosure restriction.

**WCU Emergency Contact Protocol**

All students are required to identify an emergency contact prior to starting classes at WCU.

The following circumstances will initiate outreach to an emergency contact:

- If a student is concerned to be missing. WCU assumes a student is missing if all efforts to contact an enrolled student fails.
- Emergency Health Concerns.
- If a student is transported to the emergency room and in unable to self-identify an emergency contact themselves, WCU will provide emergency contact information to the hospital.
- If WCU is alerted by the West Chester Borough, or other police department of an off-campus housing or other safety emergency.
- In the event of an emergency during a study abroad or other WCU trip.
- When there is concern for the student’s health and safety.
- In instances of arrests for underage alcohol possession/consumption

Emergency contacts (including parents/families) will not be notified if students are alleged to have violated WCU’s Student Code of Conduct. Should the student be found responsible, the Federal Family Educational Rights and Privacy Act (FERPA) gives West Chester University limited ability to notify parents when students under the age of 21 have been found to violate any law or policy concerning the use or possession of alcohol or a controlled substance.

Emergency Contacts (including parents/families) will not be notified of circumstances related to sexual misconduct.
