Academic Advising
West Chester University embraces the concept that effective academic advising is a collaborative teaching and learning process between the student and the faculty advisor. The University believes that effective advising should assist students in achieving their academic, professional, and personal goals. The University community – students, faculty, and staff – shares the responsibility for student success. Faculty advisors will strive to provide accurate, timely, and current information, thus establishing the framework around which students will construct their academic program of study. Students, in turn, must take responsibility for their educational and career goals by assuming an active role in working towards their degree and being aware of and understanding policies and requirements necessary for graduation. The University is responsible for providing a supportive environment where students can receive high quality academic advising and also be referred to other campus resources that will provide opportunities and assistance to help students succeed.

In order to maintain progress towards their goals, all students must meet with their advisors at least once per semester, as well as consult with department and university documents such as advising sheets and Degree Progress Reports. Students can find additional advising support information on the university’s advising website (http://wcupa.edu/academics/Advising).

Advisor assignments are made by the academic department of the student’s program of study. Students who are admitted to the University as “undeclared” are assigned an advisor through Exploratory Studies (222 Lawrence Center, 610-436-3505). Students may find the name of their academic advisor on their myWCU portal page (http://my.wcupa.edu).

Students who choose to pursue an academic minor will also be assigned an advisor in the minor. The minor advisor will assist the student in understanding the requirements of that particular program.

Learning Assistance and Resource Center
The Learning Assistance and Resource Center (LARC) provides academic support services to help students become independent, active learners who achieve academic success. The LARC offers tutoring services in most 100- and 200-level general education courses, such as mathematics, writing, natural sciences, social sciences, foreign languages, and introductory business. Tutoring sessions are 50 minutes long and are held by appointment only. Interested students register on a first-come, first-served basis and are assigned tutors depending on availability. The LARC also offers Supplemental Instruction (SI) in several general education and high-risk courses. Additionally, the LARC holds refreshers workshops in preparation for the required standardized tests for prospective education majors. The Academic Success Workshop (ASW) demonstrates the application of learning strategies to the course content through seminars that influence learning, such as stress management, test anxiety reduction, assertiveness, concentration, and motivation; workshops are available to student groups upon request. The LARC website, www.wcupa.edu/larc, includes information on available services, a list of courses being tutored, and links to helpful resources. Additional services, such as online tutoring through Smarthinking, the Diversity + 411 Workshop, the Brother-to-Brother Program, and the Early Alert Program are also available. Information regarding these programs can be found on the LARC website.

The LARC provides opportunities for paid practical experience for undergraduate and graduate students and requires participation in a comprehensive training program for new tutors, including seminars, workshops, online training, individualized projects, and peer observation. Opportunities for practicum or internship are available. Tutors employed by the LARC acquire the knowledge and experience necessary to meet the requirements for certification by the College Reading and Learning Association. The LARC is open Monday - Thursday from 8 a.m. to 8 p.m., Friday from 8 a.m. to 4 p.m., and Sunday from 6 p.m. to 9 p.m. For more information call 610-436-2535, e-mail larc@wcupa.edu, see the website at www.wcupa.edu/larc or visit 224 Lawrence Center.
