When applicable, additional policies for specific department programs may be listed below.

Application and Approval for Student Teaching

Students are eligible to student teach if they have
1. Achieved Formal Admission to Teacher Education (FATE),
2. Met, by having earned final passing grades, all professional preparation requirements¹,
3. Earned at least 102 credits prior to the student teaching semester, and
4. Maintained the Pennsylvania-mandated GPA of 2.80. (See “Formal Admission to Teacher Education” in the Educator Preparation Programs (http://catalog.wcupa.edu/undergraduate/education-social-work/educator-preparation-programs) section of this catalog.) Student teaching is typically scheduled for a student’s final semester at the University.

Applications for student teaching must be made two semesters prior to student teaching through the Office of Field Placements and Student Teaching, Francis Harvey Green Library 251. Students graduating fall 2013, spring 2014, fall 2014, and spring 2015, must have taken and provided official score reports for required Pennsylvania certification tests prior to student teaching. This includes Praxis II Middle Grades Core and Concentration Area Tests for middle grades preparation majors and the PECT PK-4 test for early grades preparation majors. Following application, students register for student teaching (EGP 410 and EGP 411, or MGP 410 and MGP 411) as they would for other University courses.

¹ Exception: Early grades majors may take EGP 400 concurrently with student teaching.

Field Placement in Schools

All field placements for EGP and MGP courses, including student teaching, are arranged in conjunction with the Department of Early and Middle Grades Education. Students are not to solicit placements. While student needs are considered in assigning placements, no particular placement can be guaranteed. Transportation to and from field placements is the responsibility of the individual student. Students must have their criminal clearances (Act 34 Pennsylvania State Criminal History Record Report, Act 114 Federal Criminal History Report, and Act 151 Child Abuse Report) and TB test results by the first day of class for EGP 209, EGP 210, EGP 220, EGP 322, EGP 410/EGP 411, LAN 382/ENG 382, EDR 317, EDR 318, MAT 352, MGP 220, MGP 335, MGP 410/MGP 411, and SCE 330.

West Chester University does not place students at religiously affiliated schools when public school placements are available and when that placement results in the students’ receiving academic credit.

Admission and Progression Requirements in B.S.Ed. Programs

Students must meet University admission requirements. All students who enter the University as EGP or MGP majors are designated as probationary teacher education students until they achieve Formal Admission to Teacher Education (FATE). All students seeking a bachelor of science in either program must formally apply for admission to teacher education. (See “Formal Admission to Teacher Education” in the Educator Preparation Programs section of this catalog.) Only students who have achieved FATE will be eligible to take advanced professional education course work. For EGP majors, the advanced professional course work includes almost all 300- and 400-level EGP courses plus EDA 303, EDM 349, EDR 317, and SCE 320. For MGP majors, the advanced professional
course work includes 300- and 400-level MGP courses
plus EDA 303, EDM 349, EDP 354, EDR 318 and EDR 345, MAT 352,
and SCE 330. Students who have achieved FATE must maintain
the required minimum GPA in order to continue taking advanced
professional course work. If a student falls below the required minimum
GPA, he or she will be permitted to retake, in accordance with
University policy, professional course work that contributed to the fall
below the minimum GPA but will not be permitted to take additional
work until the minimum is met.

Requirements for Transfer to the Major in Early or
Middle Grades Preparation

Students may apply for “external transfer” (see below) when transferring
from another post-secondary institution. Students already admitted to
West Chester University as pre-majors or in another major may apply for
“internal transfer.”

Students seeking external or internal transfer must have earned a
minimum of 27 college-level credits with a minimum cumulative GPA
of 2.80. Students with 48 or more earned credits must have achieved
passing scores on the Basic Skills testing requirement, as established
by the Pennsylvania Department of Education (PDE), and completed
college-level studies in English composition (three credits).

External or internal transfer to the major in early grades preparation
does not confer FATE. (See “Formal Admission to Teacher Education”
in the Educator Preparation Programs section of this catalog.)

External Transfer Students

Transfer credit for freshman- and sophomore-level courses will be
granted in accordance with University policy. Professional and
specialized preparation courses will be evaluated and approved on an
individual basis. Application for the major is made through the Office
of Admissions.

Internal Transfer Students

Application is made directly to the Department of Early and Middle
Grades Education. The department admits internal transfer students
three times a year. Students should check the department bulletin board
for dates and details.

In addition to the general requirements for FATE, B.S.Ed. candidates
who are admitted to the major in EGP or MGP must also complete
1. 20 hours of pre-approved, unpaid community service for agencies/
organizations serving children and/or youth and/or adults with
special needs and/or families (at least 10 of these hours must be
provided in one setting); and
2. A written reflection that has been assessed as satisfactory on how
this service has influenced their development as teachers. The
nature of the service must provide a direct, concrete benefit to
the population(s) an agency/organization serves. The hours that
candidates devote to this community service requirement may not
also be used to fulfill any requirement for a credit-bearing course.

Second Degree Students

Students seeking admission as a second-degree student must have
earned a minimum cumulative GPA of 2.8 on their last 48 credits.
They must also have achieved passing scores (as defined by PDE) on all
required tests for their initial certification and degree program.

Second-degree students will be expected to complete all professional
education and specialized preparation courses required in the
undergraduate early or middle grades preparation majors. While credit
may be given for equivalent courses taken during the first-degree
program, additional requirements, which may include college-level
course work in math (six credits), English composition (three credits),
and literature taught in English (three credits), could be required for
Formal Admission to Teacher Education.

Admission to the Minor in Elementary Education

Students seeking a minor in Elementary Education must have
completed 27 credits and must have the minimum cumulative GPA
required for their earned credits: 2.65 for students with 27–47 credits
and 2.80 for students with 48 or more credits. Students admitted to
the minor must maintain the minimum cumulative GPA required of
them at admission to the minor in order to continue. Students who fall
below the minimum cumulative GPA required are permitted to retake,
in accordance with University policy, course work in the minor that
contributed to their fall below the required minimum cumulative GPA.
Such students will not be permitted to take additional course work in
the minor until they achieve the required minimum cumulative GPA.
