Programs Offered
The Department of Early and Middle Grades Education offers programs that lead to an Instructional I Certificate by the Commonwealth of Pennsylvania for pre-kindergarten through grade 4, and grade 4 through grade 8.

- The B.S.Ed. in Early Grades Preparation, PreK–4 (EGP) is designed to provide a broad background in general education, an understanding of children, and the knowledge and skills needed to teach children, in PreK through grade 4. Upon satisfactory completion of the approved program, and related PDE requirements, the student will qualify for a Grades PK–4 Pennsylvania Instructional I Certificate, valid for six years of teaching in pre-kindergarten through grade 4.

- The B.S.Ed. in Middle Grades Preparation, Grades 4–8 (MGP) is designed to provide a broad background in general education, an understanding of children and young adolescents, and the knowledge and skills needed to teach them. Upon satisfactory completion of the approved program, and related PDE requirements, the student will qualify for a Grades 4–8 Pennsylvania Instructional I Certificate, valid for six years of teaching in grades 4 through 6 and selected content areas in grades 7 and 8.

Policies
- See undergraduate admissions information. (http://catalog.wcupa.edu/general-information/admissions-enrollment/undergraduate-admissions)
- See academic policies. (http://catalog.wcupa.edu/undergraduate/academic-policies-procedures)

All undergraduate students are held to the academic policies and procedures outlined in the undergraduate catalog. Students are encouraged to review departmental handbooks for program tips, suggested course sequences, and explanations of procedures. When applicable, additional policies for specific department programs may be listed below.

Application and Approval for Student Teaching
Students are eligible to student teach if they have
1. Achieved Formal Admission to Teacher Education (FATE),
2. Met, by having earned final passing grades, all professional preparation requirements 1,
3. Earned at least 102 credits prior to the student teaching semester, and
4. Maintained the Pennsylvania-mandated GPA of 2.80. (See "Formal Admission to Teacher Education" in the Educator Preparation Programs (http://catalog.wcupa.edu/undergraduate/education-social-work/educator-preparation-programs) section of this catalog.) Student teaching is typically scheduled for a student’s final semester at the University.

Applications for student teaching must be made two semesters prior to student teaching through the Office of Field Placements and Student Teaching, Francis Harvey Green Library 251. Students graduating fall 2013, spring 2014, fall 2014, and spring 2015, must have taken and provided official score reports for required Pennsylvania certification tests prior to student teaching. This includes Praxis II Middle Grades Core and Concentration Area Tests for middle grades preparation majors and the PECT PK–4 test for early grades preparation majors. Following application, students register for student teaching (EGP 410 and EGP 411, or MGP 410 and MGP 411) as they would for other University courses.

1 Exception: Early grades majors may take EGP 400 concurrently with student teaching.

Field Placement in Schools
All field placements for EGP and MGP courses, including student teaching, are arranged in conjunction with the Department of Early and Middle Grades Education. Students are not to solicit placements. While student needs are considered in assigning placements, no particular placement can be guaranteed. Transportation to and from field placements is the responsibility of the individual student. Students must have their criminal clearances (Act 34 Pennsylvania Criminal History Record Report, Act 114 Federal Criminal History Report, and Act 151 Child Abuse Report) and TB test results by first day of class for student teaching. (See “Formal Admission to Teacher Education” in the Educator Preparation Programs section of this catalog.) Student teaching is typically scheduled for a student’s final semester at the University.

Admission and Progression Requirements in B.S.Ed. Programs
Students must meet University admission requirements. All students who enter the University as EGP or MGP majors are designated as probationary teacher education students until they achieve Formal Admission to Teacher Education (FATE). All students seeking a bachelor of science in either program must formally apply for admission to teacher education. (See “Formal Admission to Teacher Education” in the Educator Preparation Programs section of this catalog.)

Only students who have achieved FATE will be eligible to take advanced professional education course work. For EGP majors, the advanced professional course work includes almost all 300- and 400-level EGP courses plus EDA 303, EDM 349, EDR 317, and SCE 320. For MGP majors, the advanced professional
course work includes 300- and 400-level MGP courses plus EDA 303, EDM 349, EDP 354, EDR 318 and EDR 345, MAT 352, and SCE 330. Students who have achieved FATE must maintain the required minimum GPA in order to continue taking advanced professional course work. If a student falls below the required minimum GPA, he or she will be permitted to retake, in accordance with University policy, professional course work that contributed to the fall below the minimum GPA but will not be permitted to take additional work until the minimum is met.

Requirements for Transfer to the Major in Early or Middle Grades Preparation

Students may apply for “external transfer” (see below) when transferring from another post-secondary institution. Students already admitted to West Chester University as pre-majors or in another major may apply for “internal transfer.”

Students seeking external or internal transfer must have earned a minimum of 27 college-level credits with a minimum cumulative GPA of 2.80. Students with 48 or more earned credits must have achieved passing scores on the Basic Skills testing requirement, as established by the Pennsylvania Department of Education (PDE), and completed college-level studies in English composition (three credits).

External or internal transfer to the major in early grades preparation does not confer FATE. (See “Formal Admission to Teacher Education” in the Educator Preparation Programs section of this catalog.)

External Transfer Students

Transfer credit for freshman- and sophomore-level courses will be granted in accordance with University policy. Professional and specialized preparation courses will be evaluated and approved on an individual basis. Application for the major is made through the Office of Admissions.

Internal Transfer Students

Application is made directly to the Department of Early and Middle Grades Education. The department admits internal transfer students three times a year. Students should check the department bulletin board for dates and details.

In addition to the general requirements for FATE, B.S.Ed. candidates who are admitted to the major in EGP or MGP must also complete

1. 20 hours of pre-approved, unpaid community service for agencies/organizations serving children and/or youth and/or adults with special needs and/or families (at least 10 of these hours must be provided in one setting); and
2. A written reflection that has been assessed as satisfactory on how this service has influenced their development as teachers. The nature of the service must provide a direct, concrete benefit to the population(s) an agency/organization serves. The hours that candidates devote to this community service requirement may not also be used to fulfill any requirement for a credit-bearing course.

Second Degree Students

Students seeking admission as a second-degree student must have earned a minimum cumulative GPA of 2.8 on their last 48 credits. They must also have achieved passing scores (as defined by PDE) on all required tests for their initial certification and degree program.

Second-degree students will be expected to complete all professional education and specialized preparation courses required in the undergraduate early or middle grades preparation majors. While credit may be given for equivalent courses taken during the first-degree program, additional requirements, which may include college-level course work in math (six credits), English composition (three credits), and literature taught in English (three credits), could be required for Formal Admission to Teacher Education.

Admission to the Minor in Elementary Education

Students seeking a minor in Elementary Education must have completed 27 credits and must have the minimum cumulative GPA required for their earned credits: 2.65 for students with 27–47 credits and 2.80 for students with 48 or more credits. Students admitted to the minor must maintain the minimum cumulative GPA required of them at admission to the minor in order to continue. Students who fall below the minimum cumulative GPA required are permitted to retake, in accordance with University policy, course work in the minor that contributed to their fall below the required minimum cumulative GPA. Such students will not be permitted to take additional course work in the minor until they achieve the required minimum cumulative GPA.
