MINOR IN INFORMATION TECHNOLOGY

Students must complete a minimum of six credits of advanced standing coursework in their minor.*

The minor in information technology introduces students to the fundamentals of programming, computer security, Web technology, database systems, and networking. All students must complete the following six required courses:

Code	Title	Credits
CSC 115	Introduction to Computer Programming	3
CSC 301	Computer Security & Ethics	3
CST 221	Database Systems	3
CST 235	Network and System Administration	3
CSW 131	Introduction to Web Design	3
CSW 315	Introduction to Web Programming	3
Total Credits		**18**

NOTE: Students must earn a minimum grade of C- in each course and an overall GPA of 2.0 in the minors and certificate program listed below.

*Advanced standing coursework is defined as any 300-level course or above and specific 200-level courses identified by the department.
