Second Master’s Degree

Concurrent Master’s Degrees:
Graduate students enrolled in a master’s degree program at WCU have the opportunity to enroll simultaneously in two master’s degree programs and receive both upon graduation (concurrent graduate degrees). To be eligible, a graduate student must be currently enrolled in their first master’s degree when requesting admission to the second master’s degree program. They must obtain approval from the graduate advisors of both programs and develop a plan of study encompassing coursework, comprehensive exams, and thesis work as required for both degrees. With approval from both graduate programs and from the dean of The Graduate School, students may use up to 12 graduate credits completed at WCU toward degree completion of both programs simultaneously. Upon graduation, the student must file two (2) degree applications and both master’s degrees will be awarded at the same time.

Consecutive Master’s Degrees:

Senior Citizen Policy
The Senior Citizen Program allows retired Pennsylvania residents to attend West Chester University tuition free on a space-available basis. To qualify, the student must be retired, at least 60 years old, and have been a Pennsylvania resident for at least a year. Students may enroll as either degree or non-degree and may audit or take courses for credit. The program does not include internships, independent study, individualized instruction, student teaching, thesis, seminar, or any similar course requiring extra faculty compensation for the additional enrollment.

Senior citizen students may not register prior to the beginning of classes. They must attend the first meeting of the class(es) for which they wish to register and obtain the instructor’s signature on their enrollment form, indicating there is space available in the class. They then return their completed enrollment form, along with a
signed Senior Citizen Fee Waiver form, to the Registrar’s Office. The
Registrar’s Office then schedules the student and submits the fee waiver
to the Bursar’s Office.

**Disciplinary Suspension/Dismissal Policy**

**A. Purpose and Intent**

West Chester University of Pennsylvania has determined that all
applicants for admissions or individuals intending to take classes non-
degree must disclose information regarding any current disciplinary
proceeding, disciplinary suspension or dismissal imposed by other
higher education institutions. This does not apply to academic
susensions and/or dismissals. West Chester University is committed
to promoting a safe and secure work and learning environment for
all members of the University community. The policy and procedures
outlined below have been established to protect the university and its
populations.

The Disciplinary Suspension/Dismissal in Admissions policy has been
adopted for the following reasons:

1. To promote a safe environment for all members of the community
   and their property.
2. To assist the university in making an evaluation of the character,
   maturity, and responsibility of the applicant.
3. To assist the university in providing better academic advisement
   regarding possible difficulties in obtaining such matters as
   internship placement, professional licensure and employment.

**B. Definition**

For the purposes of this policy, a current disciplinary proceeding,
disciplinary suspension/dismissal has the following meaning:

“Any instance of judicial or administrative action currently under review
or already taken by a previous institution for behavior on University
property or off University property that is not consistent with that
institution’s Student Code of Conduct that has resulted in a suspension
or dismissal.”

**C. Policy**

1. **Distribution of Policy**

If an applicant has met all admission criteria for general university
admission and for the specific program to which they applied or non-
degree admission, and they have answered in the affirmative that they
are currently under disciplinary proceedings or have been the subject
of a disciplinary suspension/dismissal, the applicant will receive this
document that details the policy and the procedures of the University.
The applicant will also be provided with a copy of a **Dean of Students Certification Form**
in order to access additional information that the
applicant must complete and send to their previous institution(s) in
which they have received an outcome of disciplinary suspension or
dismissal. If West Chester University does not receive the completed
Dean of Students Certification Form and sufficient disciplinary records
from the previously attended institution, admission review will not
continue and the application may be denied.

2. **Consideration of Applicant's Information**

The university will not necessarily deny admission to the university in
general or a particular academic program because of a disciplinary issue.
This information will only be considered after it has been determined
that the student has met all admission criteria for the university
and the specific program to which they applied. Each case will be
separately evaluated based upon the rational relationship of interests and
needs of the university to the nature, severity, recency of the disciplinary
issue; circumstances surrounding the issues; records of other issues; the
responsibility and repentance of the applicant; and any other relevant
Factors. These factors will be carefully considered and weighed. The
disclosure of information and access to related additional information
will be made to the Office of the Vice President for Student Affairs as
appropriate.

3. **Procedure**

a. In order to be considered for admission, the applicant must complete
   and send the **Dean of Students Certification Form** for each institution
   from which they are currently under disciplinary proceedings or have
   been suspended or dismissed. Once the institution(s) have completed
   the form, they are instructed to return the certification directly to the
   appropriate admissions office (undergraduate, graduate, or non-degree)
   for consideration.

b. A student’s previous conduct does not automatically warrant
denial of admission to the University, but may require further review
to determine whether conditions to acceptance are warranted.
Determinations as to the imposition of conditions will be based
upon the nature and severity of the offense(s); the period of time
that has lapsed between the incident(s); the completion of discipline,
if applicable; whether the applicant has additional incidents of
misconduct; and the extent to which the conduct would be relevant to
the student’s participation in the University community.

c. By the applicant’s signature on the **Dean of Students Certification Form**, the applicant certifies that they understand and agree to all
   requirements in this Policy. The signature also certifies that the
   applicant understands and agrees that failure to disclose material
   information or the failure to be fully truthful in the inquiry process
   may result in (1) denial of admission, or (2) if the applicant has been
   admitted, immediate suspension or expulsion from a course, program,
housing, and/or the university.

d. Once the **Dean of Students Certification Form** and all required
   disciplinary documents have been received, the Committee will contact
   the applicant to schedule an interview. An interview will be required
to continue the application process. If any committee member has
a conflict of interest, they must disclose this and excuse themselves
from the interview process. After the applicant has interviewed, the
Committee will vote on their recommendation regarding admission.
   The majority of members must agree on the outcome prior to
   submitting a recommendation to admissions. Majority will be based
   on the number of committee members present during the interview.
   The recommendation will be sent to [title of decider] who will make the
final determination.

Members of the Discipline Review Committee may include:

- Vice Provost representative
- Enrollment Management representative
- Public Safety representative
- Student Conduct representative
- Title IX representative
- Undergraduate Admissions representative
- Graduate School representative
