Courses

ART

ART 520. Painting: Independent Projects. 3 Credits.
A graduate level course that provides the structure and discipline required for students to develop as professionals in the field. This course requires students to maintain a rigorous self-directed and independent creative practice while participating in critical discussions with the instructor and peers. Students will integrate and strengthen their conceptual and technical goals as described in their statement of intent as a professional level of competence is achieved.
Consent: Permission of the Department required to add.
Typically offered in Fall & Spring.
Repeatable for Credit.

ART 534. Ceramics: Independent Projects. 3 Credits.
Contact department for more information about this course.
Repeatable for Credit.
