

CERTIFICATE IN HEALTHCARE ETHICS

College of Arts and Humanities

The graduate Certificate in Healthcare Ethics, which requires no previous background in philosophy, offers training in moral reasoning within the medical setting for those with undergraduate degrees who meet The Graduate School's and department's entrance requirements. Students will develop skills in seeing, analyzing, and resolving problems in the healthcare field. The certificate, which can be completed in three semesters, consists of the following:

Code	Title	Credits
Required Courses		
PHI 502	History of Western Ethics	3
PHI 570	Bioethics	3
Focused Electives
