Admissions

All applicants to one of West Chester University’s graduate programs will be held to the graduate admissions requirements (http://catalog.wcupa.edu/general-information/admissions-enrollment/graduate-admissions/). When applicable, additional requirements for admission into specific department program(s) may be listed below.

Admission Requirements for the M.Ed. in Early Childhood Education

1. Undergraduate degree from an accredited college or university
2. Undergraduate GPA of at least 2.8 on a 4.0 scale. (If the applicant possesses a master’s degree, the GPA requirement applies to that degree.)
3. At least one year of professional experience in an early childhood setting. Individuals with limited early childhood background may be required to complete additional course work or readings.

Admission Requirements for the M.Ed. in Applied Studies in Teaching and Learning

1. Applicants for the degree program are expected to have an undergraduate degree from an accredited college or university, Pennsylvania Level 1 Teaching Certification or its equivalent.
2. Applicants must have one year of full-time, satisfactory K-12 teaching experience in public or private schools. (All other cases will be considered by the department on an individual basis.)
3. An undergraduate GPA of 3.0 on a 4.0 scale is also required. (If an applicant possesses a master’s degree, the GPA requirement applies to that degree.)

Admission Requirements for the Level I Post-Baccalaureate Teacher Certification Programs

As part of the application process, candidates must submit the following materials:
1. Official academic transcript(s) from all colleges and universities attended, demonstrating a minimum GPA of 3.0 on a 4.0 scale
2. A professional goals statement
3. Two recommendations
4. For MGP, a copy of passing scores on PDE-mandated Praxis II subject concentration tests in either mathematics, science, or social studies

Note: Educational Testing Services will not send a copy of candidates’ Praxis scores to WCU’s Graduate School. More information and registration for the Praxis Exams are available on the College of Education website.

Policies

All graduate students are held to the academic policies and procedures (http://catalog.wcupa.edu/graduate/academic-policies-procedures/) outlined in the graduate catalog. Students are encouraged to review departmental handbooks for program tips, suggested course sequences, and explanations of procedures. When applicable, additional policies for specific department programs may be listed below.

Degree Requirements for the M.Ed. in Early Childhood Education
1. Satisfactory completion of the curriculum
2. Cumulative GPA of at least 3.0
3. Satisfactory completion of an action research project in ECE 550

Degree Requirements for the M.Ed. in Applied Studies in Teaching and Learning
1. Satisfactory completion of the curriculum. Both the selection and the sequence of courses should be determined in consultation with an appointed advisor. Workshop credits (EDE 580-589) are not permitted. Up to six credits of “Special Topics” courses (EDE 591-EDE 593), within an area of focused inquiry, may be counted towards the degree
2. A cumulative GPA of at least 3.0
3. Development of a professional portfolio (The portfolio will be formally evaluated during EDE 571.)
4. Completion of a classroom-based inquiry project in EDE 611

Program Requirements for the Level I Post-Baccalaureate Teacher Certification Programs

Level I Certification program requirements are determined on an individual basis. Each candidate will receive an approved program of study which will include a checklist of (a) previously completed courses that the graduate coordinator accepts as equivalent to required courses in the program, (b) work and volunteer experiences the graduate coordinator accepts as equivalent to required courses, and (c) courses required to complete the candidate’s certification program.

1. Pennsylvania Certification Tests
   Those seeking an Instructional I Certificate in the Commonwealth of Pennsylvania must have a minimum GPA of 3.0 by program completion, plus passing scores (as determined by the PDE) on required Praxis exams. The PDE periodically changes testing requirements and passing scores. Up-to-date information about the Pennsylvania certification tests is available at http://www.wcupa.edu/_academics/coe/PAtests.aspx (http://www.wcupa.edu/_academics/coe/paTests.aspx).
2. Teacher Candidacy
   All students who enter the post-baccalaureate certification program for either the early grades or middle grades preparation program are designated as probationary teacher education students until they achieve Teacher Candidacy. Note: Teacher Candidacy is not the same as admission to The Graduate School. Students apply for Teacher Candidacy after receipt of the acceptance letter to The Graduate School.

Only students achieving Teacher Candidacy will be able to enroll in the “professional semester,” which includes field experience and student teaching. Because students need to file an application for student teaching two semesters prior to the professional semester, they are strongly encouraged to apply for Teacher Candidacy as soon as possible after being admitted to The Graduate School. The Department of Early and Middle Grades Education sends information about Teacher Candidacy requirements soon after students are accepted into WCU.

Clearance Requirements for Field Experiences in the Professional Education Unit

All students participating in West Chester University academic courses that require participation in observation, practicum, field experience or student teaching experience must provide up-to-date clearances prior to the fourth day of the semester in which they enrolled in such courses. Students will provide clearances to the university in a manner stipulated but the Dean of the College of Education and Social Work in accordance with the WCU Professional Education Unit Policy Requiring Current Criminal Background Clearances for Enrollment in Field Experience Courses and Student Teaching. Students who fail to provide the proper clearances, as stipulated, will have their enrollment in the course revoked.

Courses

ECE

ECE 502. Advanced Child Dev: Prebirth Through Eight Years. 3 Credits.  
This course covers development of children pre-birth through age eight. A review of historical and contemporary theories of development as well as emerging research is included.  
Pre / Co requisites: ECE 502 requires a prerequisite of ECE 503.  
Distance education offering may be available.  
Typically offered in Fall.

ECE 503. Foundations of Early Childhood Education. 3 Credits.  
This course focuses on the important and diverse contexts in which young children develop and the impact of partnerships among families, schools/programs, and communities on the education of young children.  
Pre / Co requisites: ECE 503 requires a prerequisite of ECE 502.  
Distance education offering may be available.  
Typically offered in Spring.

ECE 504. Play-Based Teaching and Learning. 3 Credits.  
The goal of this course is to guide students and build their understanding of play as a psychological state of being, an essential element of early childhood curriculum and learning, as well as a human behavior that expresses creativity, culture, context, and individual values. In a modern world that emphasizes “outcomes” and “products,” this course will place emphasis on the process of learning that all people build during the early years of their growth, development, and early learning experiences. Lastly, students will build their understanding that play is the only form of human behavior that heals emotions, builds social understanding, strengthens bodies, and builds cognitive processes.  
Pre / Co requisites: ECE 504 requires prerequisites of ECE 505 and ECE 509.  
Distance education offering may be available.  
Typically offered in Spring.

ECE 505. Partnerships in Early Childhood Education. 3 Credits.  
This course focuses on the important and diverse contexts in which young children develop and the impact of partnerships among families, schools/programs, and communities on the education of young children.  
Pre / Co requisites: ECE 505 requires a prerequisite of ECE 502.  
Distance education offering may be available.  
Typically offered in Spring.

ECE 506. Early Childhood Curriculum & Assessment I. 3 Credits.  
Developmentally appropriate activities, curriculum, and assessment will be examined through the application of one’s understanding of typical and atypical growth and development in the first five years. Discussion of observation strategies, methods of documenting children’s learning, and assessment techniques will lead to the intentional development of curriculum plans and thematic units for young children.  
Pre / Co requisites: ECE 506 requires a prerequisite of ECE 510.  
Distance education offering may be available.  
Typically offered in Fall.

ECE 507. Early Childhood Curriculum & Assessment II. 3 Credits.  
This course builds on and expands curriculum and assessment knowledge in Early Childhood education. The course covers learning contexts, unit planning, family involvement and classroom management.  
Pre / Co requisites: ECE 507 requires a prerequisite of ECE 506.  
Distance education offering may be available.  
Typically offered in Fall.

ECE 508. Advocacy & Leadership in Early Childhood Education. 3 Credits.  
Professional service and advocacy on behalf of children, families and communities will be course highlights. Students will engage in personal reflection and analyze current issues and policies that impact young children and families. Students will research a variety of advocacy strategies and apply their knowledge of child development, developmentally effective practices, national and state standards, and management competencies as they examine their own development as leaders.  
Pre / Co requisites: ECE 508 requires a prerequisite of ECE 504.  
Distance education offering may be available.  
Typically offered in Summer.

ECE 509. Diverse Learners in Early Childhood Settings. 3 Credits.  
This course explores the value of learner diversity and multiculturalism and examines the powerful learning opportunities it affords today’s early childhood settings. Students will examine their attitudes, beliefs, and biases regarding diverse students, families, and communities as they use approaches aimed at working together to ensure equitable access to high-quality learning experiences for all children. Further, students will explore the benefits of inclusive practices and develop learning experiences that consider the diverse needs of today’s learners in early childhood settings.  
Pre / Co requisites: ECE 509 requires a prerequisite of ECE 502.  
Distance education offering may be available.  
Typically offered in Summer.

ECE 510. Designing Effective Learning Environments for Young Children. 3 Credits.  
The course will examine how well-designed learning environments create a safe and responsive environment that supports the learning and development of young children and nurtures positive relationships. Environmental practices referring to aspects of space, materials, equipment, routines, and activities that practitioners and families can intentionally alter to support child’s learning across developmental domains in early childhood programs and schools for children from birth through age 8 will be explored.  
Pre / Co requisites: ECE 510 requires a prerequisite of ECE 508.  
Distance education offering may be available.  
Typically offered in Summer.

ECE 512. Integrated Curriculum & Assessment: Birth to Age 8. 3 Credits.  
Designed for teachers, program administrators, and principals in early childhood settings, this course is an in depth examination of the curriculum frameworks, standards and assessment in early childhood education.  
Distance education offering may be available.

ECE 513. Advocating for Young Children and Families. 3 Credits.  
Professional service and advocacy on behalf of children, families and communities will be course highlights. Students will analyze policies and develop skills in advocacy and community mobilization.  
Distance education offering may be available.  
Typically offered in Summer.

EDE

EDE 532. Teaching-Learning: Theory to Practice. 3 Credits.
This course is intended to help teachers connect knowledge of curriculum design and learning theory with the development of culturally responsive curriculum and effective classroom practice.
Typically offered in Spring & Summer.

EDE 548. Social Emotional Learning in the Classroom. 3 Credits.
This course explores social and emotional learning (SEL) theory, research, practice, and policy. SEL is the process through which children and adults understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions. This course provides a systemic approach to SEL. Practitioners will learn how to intentionally cultivate a caring, participatory, and equitable learning environment using evidence-based practices that actively involve all students in their social, emotional, and academic growth. This course infuses social and emotional learning into both the educators' and the students' lives during all times of the school day and when they are in their homes and communities. This course is grounded in theories of cognitive, social, emotional, and behavioral development and demonstrates research-based practices which enable students to gain knowledge and experience needed to work successfully with family members and the broader community in supporting social, emotional, and behavioral wellness of PK-12 students.
Distance education offering may be available.
Typically offered in Summer.

EDE 551. Child and Adolescent Development I. 3 Credits.
