

SCHOOL NURSE CERTIFICATION

College of Health Sciences

The School Nurse Certification program is a post baccalaureate program that prepares students for initial Pennsylvania Department of Education certification as an Educational Specialist I - School Nurse.

Code	Title	Credits
Required Courses		
NSG 502	Perspectives of School Nursing	4
NSG 512	Legal Mandates Of School Nursing	3
NSG 533	Physical Assessment for APNs	4
EDA 542	Foundations of Special Education	3
Total Minimum Credits Required		14

The goal of the department is to prepare nurses for safe and effective care in the school setting. Graduates will be professionals capable of functioning in a holistic manner and able to collaborate with the various disciplines within the school system for health promotion and disease prevention of the child and adolescent.
