These are thematica the student with co of key areas within tracks are health ca and environmental	students select a focused elective track. Ally related electives designed to provide hesive, comprehensive knowledge public health. The focused elective re management, community health health. Contact the department for the able electives in each track area.	
Total Credits Requ	uired	45

Sample Course Plan

To track their individual degree progress, students are advised to access their Degree Progress Report (DPR) via my WCU and consult their Graduate Coordinator. For more information, visit wcupa.edu/DegreeProgressReport (http://wcupa.edu/DegreeProgressReport/).

The following is a sample suggested course sequence for this program; course offerings and availability are not guaranteed. Students should consult their academic advisor with any questions.

MPH - Community Health Track

Full Time

Students in this rotation will take three to four courses a semester (except for summer sessions) - recommended for students who are full-time or graduate assistants. In most cases the time commitment will be one-three nights a week for fall/spring semesters and variable time schedules for winter and summer courses except for HEA 649 and HEA 650.
