Internship ³		
ENG 395	Internship	3
Total Minimum Credits Required		18

¹ Other elective(s) must be approved by the program coordinators. Independent studies (ENG 410) focused on topics in professional and technical writing may count as program electives with the approval of PTW Minor coordinator(s).

² If not used to meet the core requirement

³ The program strongly recommends that students have an internship during the last semester of the minor. Students must complete both core courses and have at least 90 credits before they can take an internship.

*Advanced standing coursework is defined as any 300-level course or above and specific 200-level courses identified by the department.
