B.A. IN LANGUAGES AND CULTURES WITH ELECTIVE CERTIFICATION - RUSSIAN CONCENTRATION

Immersion study and/or internship work is an essential component of the B.A.L.C. curriculum. Languages and cultures are inextricably entwined. The goal of the immersion experience, which is a requirement for graduation, is to enable students to apply linguistic and cultural knowledge in an authentic social context, and for them to experience the challenges and the gratification of living in another culture.

• **Teacher Candidacy:** In addition to passing scores on PAPA (formerly PPST) exams, certification candidates seeking Teacher Candidacy must have
  • A cumulative GPA of 2.8 or higher,
  • 48 completed college-level credits on their transcripts,
  • Three earned credits in English literature and six earned credits in college-level mathematics

• **Praxis II Exams.** There are two Praxis II exams:
  • **Praxis II Fundamental Subjects:** Content Knowledge (#0511/5511)
    The Fundamental Subjects (#0511/5511) Praxis II is a PDE requirement for all K-12 certification students in the state and, therefore, must be taken and passed in order to be recommended for certification. This exam is to be taken by world languages certification students prior to enrollment in SED 411/SED 412.
  • **Praxis II World Languages** tests are no longer a requirement for program completion. Effective Spring 2013, language certification majors will need to take the ACTFL/LTI (American Council on the Teaching of Foreign Languages/Language Testing International) Oral Proficiency Interview (OPI) and the Writing Proficiency Test (WPT). Students failing to achieve either IH or AL will be permitted to complete the BA without certification in their language of specialization.

• For certification-track students in French, German, Russian, and Spanish, the Department of Languages and Cultures will delete the requirement of AL (advanced low) on ACTFL OPI and WPT exams as a prerequisite for entrance into SED 411/SED 412.

For national recognition, the Department of Languages and Cultures, along with ACTFL and CAEP (formerly NCATE), requires OPI and WPT testing with the expected achievement of Advanced Low (AL). The Pennsylvania Department of Education (PDE) requires teacher candidates score Intermediate High (IH) on the ACTFL OPI and WPT; consequently, those student who reach IH or AL on the OPI and WPT are recommended in PDE’s Teacher Information Management System (TIMS) for K-12 certification by the College of Education. Students enhance their career options and competitiveness in the job market by achieving AL. The Department of Languages and Cultures recognizes that school districts are looking for candidates who meet the ACTFL requirement of AL on the WPT and OPI. Therefore, for those teacher candidates who do not reach AL on the OPI or the WPT, we create remedial plans informed by a candidate's OPI or WPT diagnostic feedback acquired from ACTFL/LTI.
