Accelerated B.A. in Languages and Cultures - French Concentration to M.A. in Languages and Cultures - French Concentration Program

B.A. in Languages and Cultures majors are required to take 30 credits of major requirements in their concentration language. Students with junior standing and a 3.0 cumulative GPA (or higher) may apply to the Accelerated Program wherein they can fulfill up to 12 credits of their undergraduate major courses with 500-level graduate courses in their concentration language. In the Accelerated Program, these 12 credits count toward completion of the B.A. program and go toward the completion of the M.A. degree in Languages and Cultures. Accelerated Program students can subsequently be accepted into the M.A. program in Languages and Cultures following conferral of the undergraduate degree.

Up to 12 credits of undergraduate Major courses in the target language may be substituted by any graduate 500-level courses in the target language: these courses would count both for the B.A. Major requirements and towards the M.A. in Languages and Cultures. Specifically, up to four 500-level courses taken as an undergraduate student will count towards the six Target-Language Courses required for the M.A. degree in Languages and Cultures.
