Department of Accounting (http://www.wcupa.edu/business-publicManagement/accounting/)
Lori Fuller (lfuller@wcupa.edu), Chairperson

The primary objective of the Department of Accounting is to provide quality academic instruction and advising to students enrolled in business programs. For the accounting major, the department prepares students to be professional accountants by providing the skills and knowledge necessary to perform competitively on national certification examinations, and to be proficient in performing a wide variety of accounting-related tasks in both public accounting and industry, as well as assume leadership roles in accounting and business.

The department prepares accounting graduates to:
• Understand basic accounting concepts
• Critically analyze accounting problems and develop solutions
• Use quantitative methods and technology to analyze accounting problems
• Effectively communicate information of an accounting nature through written and oral presentation
• Effectively interact with others as part of a team
• Understand the importance of ethical decision making in accounting
• Understand the impact of globalization on accounting

The Department of Accounting offers a full program of accounting courses designed to prepare a student for entrance into the fields of public, private, or governmental accounting. Students successfully completing the curriculum should be adequately prepared to take the Certified Public Accountant (CPA) and Certified Management Accountant (CMA) examinations.

The following applies for students entering into the accounting major:
• All freshmen, external transfer students, and current WCU students who have not completed all prerequisites will be admitted to the pre-business accounting major and be advised by pre-business counselors.
• Current WCU students who complete all prerequisites will be admitted into the accounting major once grades are posted.

All undergraduate students are held to the academic policies and procedures outlined in the undergraduate catalog. Students are encouraged to review departmental handbooks for program tips, suggested course sequences, and explanations of procedures. When applicable, additional policies for specific department programs may be listed below.

Prerequisites for Entry into the Business Majors: Accounting, Economics, Finance, Management and Marketing

To apply for their business major, students must:
1. Complete ECO 111, ECO 112, ECO 251, MGT 200, MKT 250, and ACC 201 with a C or better in each course
2. Pass and complete both MAT 113 and MAT 143 with a C or better required in at least one of them. If a student is placed directly into MAT 143 and receives a C or higher or has completed MAT 161 or MAT 162 with a C or better, then the student does not have to take MAT 113 (replaced as a free elective).
3. Have a minimum overall GPA of 2.50
4. Have at least 45 credit hours

These requirements must be met to be eligible to register for 300 and 400 level business courses. The same rules apply to all transfer students—both internal (those from within the University) and external (those from a non-WCU institution).

Accounting Major Graduation Policies

To progress in the Department of Accounting’s major program, students must maintain a 2.50 overall GPA. To graduate with an earned degree from the program, students must have a 2.50 overall GPA.

Accounting Minor Policies

To be admitted into the Accounting Minor or White Collar Crime Minor programs, students must have an overall GPA of 2.50. Once admitted to one of the minors, a 2.50 overall GPA must be maintained in order to graduate with the earned degree.

Accelerated Program Policy

Refer to the Accelerated Programs page (http://catalog.wcupa.edu/undergraduate/accelerated-programs/) for more information.
