Enrollment in CRJ 110 and CRJ 210 is open to all students. However, enrollment in most other criminal justice courses is limited to criminal justice majors, criminal justice minors, and to those students who have received special permission from the department chairperson. Also, a grade of C or better is required in CRJ 110 before any other CRJ course may be taken, with the only exception being CRJ 210. Admission to the program is competitive, and enrollment in such restricted courses is no assurance of admission into the major (nor is acceptance into the minor program assurance of future acceptance into the major). Students wishing to change their majors to criminal justice must apply to the department. Evaluation of applications is based on academic performance, writing ability, and other relevant data.

Students should generally have a GPA of at least 2.5 to apply for admission to the program. A 2.5 average or better must be earned in the aggregate of lower- and upper-division courses before graduation will be recommended.

NOTE: This program deviates from the Anticipated Time for Degree Completion outlined in the Academic Policies section of the catalog since the program requires the completion of requirements that can only be met in the summer.

Sample Course Plan

To track their individual degree progress, students are advised to access their Degree Progress Report (DPR) via myWCU regularly. For more information, visit wcupa.edu/DegreeProgressReport (<http://wcupa.edu/degreeprogressreport/>).

The following is a sample suggested course sequence for this program; course offerings and availability are not guaranteed. Students should consult their academic advisor with any questions.
