Transportation to and from field placements and student teaching is the responsibility of the individual student.

### Admission and Progression Requirements in B.S.Ed. Programs
Students must meet University admission requirements. All students who enter the University as EGP or MGP majors are designated as
probationary teacher education students until they achieve Teacher Candidacy. All students seeking a bachelor of science in either program must formally apply for Teacher Candidacy. (See “Teacher Candidacy” in the Educator Preparation Programs (http://catalog.wcupa.edu/undergraduate/education-social-work/educator-preparation-programs/) section of this catalog.)

Only students who have achieved Teacher Candidacy will be eligible to take advanced professional education course work. For EGP majors, the advanced professional course work includes almost all 300- and 400-level EGP courses plus EDA 303, EDM 349, EDP 354, EDR 318 and EDR 345, MAT 352, and SCE 330. Students who have achieved Teacher Candidacy must maintain the required minimum GPA in order to continue taking advanced professional course work. If a student falls below the required minimum GPA, they will be permitted to retake, in accordance with University policy, professional course work that contributed to the fall below the minimum GPA but will not be permitted to take additional work until the minimum is met.

Requirements for Transfer to the Major in Early or Middle Grades Preparation

Students may apply for “external transfer” (see below) when transferring from another post-secondary institution. Students already admitted to West Chester University as pre-majors or in another major may apply for “internal transfer.”

Students seeking external or internal transfer must have earned a minimum of 12 college-level credits with a minimum cumulative GPA of 2.90. Students with 48 or more earned credits must have achieved passing scores on the Basic Skills testing requirement, as established by the Pennsylvania Department of Education (PDE), and completed college-level studies in English composition (three credits).

External or internal transfer to the major in early grades preparation does not confer Teacher Candidacy. (See “Teacher Candidacy” in the Educator Preparation Programs (http://catalog.wcupa.edu/undergraduate/education-social-work/educator-preparation-programs/) section of this catalog.)

External Transfer Students

Transfer credit for freshman- and sophomore-level courses will be granted in accordance with University policy. Professional and specialized preparation courses will be evaluated and approved on an individual basis. Application for the major is made through the Office of Admissions.

Internal Transfer Students

Application is made directly to the Department of Early and Middle Grades Education. The department admits internal transfer students three times a year. Students should check the department bulletin board and website for dates and details.

Second Degree Students

Students seeking admission as a second-degree student must have earned a minimum cumulative GPA of 2.9 on their last 48 credits. They must also have achieved passing scores (as defined by PDE) on all required tests for their initial certification and degree program.

Second-degree students will be expected to complete all professional education and specialized preparation courses required in the undergraduate early or middle grades preparation majors. While credit may be given for equivalent courses taken during the first-degree program, additional requirements, which may include college-level course work in math (six credits), English composition (three credits), and literature taught in English (three credits), could be required for Teacher Candidacy.
