Residential Life & Housing Services
The Office of Residence Life and Housing Services (http://www.wcupa.edu/residenceLife/) commits to providing an environment of learning which fosters ongoing holistic development for all community members and is dedicated to serving students by creating and sustaining inclusive communities rooted in ethical decision making and intentional and supportive connections. Each facility is staffed with trained personnel who are available 24 hours a day to provide services, assistance, and a variety of information. All resident students are encouraged to read "The Student Guide to Residential Living (https://www.wcupa.edu/_services/residenceLife/documents/GuideToResidentialLiving19-20.pdf)" and the "Student Code of Conduct (https://www.wcupa.edu/_services/conduct/documents/studentCodeofConduct.pdf)," which contain valuable information on all services, policies, and responsibilities pertaining to all housing facilities. The Office of Residence Life and Housing Services (http://www.wcupa.edu/residenceLife/) is located in 202 Lawrence Center, 610-436-3307.

On-Campus Housing
The University-owned residence halls on the North Campus provide accommodations for approximately 1,600 students in primarily double-occupancy accommodations. In addition, the University-owned South Campus apartment complex houses almost 500 residents in four- or five-person, fully furnished units with each bedroom having either single or double occupancy. The University also operates the College Arms Apartments which have units for one to four people. Arrangements for all housing options are made for the academic year.

The University, through University Student Housing (USH) (http://www.wcuhousing.com/), also offers other housing options on campus that are referred to as affiliated housing. Suite-style residence halls on North Campus, including University, Allegheny, Brandywine, and Commonwealth halls, as well as The Village and East Village, which are apartment communities on South Campus, provide accommodations on a space-available basis. These facilities offer all the same opportunities found in University-owned housing, but are managed by USH.

Housing Assignments
The Office of Residence Life and Housing Services (http://www.wcupa.edu/residenceLife/) makes the housing assignments for all students living in all University-owned housing. University Student Housing (http://www.wcuhousing.com/) handles assignments for all six affiliated-housing communities. All assignments are made without discrimination. Only individuals of the same gender will be assigned as roommates, suite mates, or in the same apartment unit. Each room has basic furnishings for comfortable living, and the students may make them more homelike with their own accessory additions. During orientation, students are informed about the services and equipment furnished by the University and those necessities that they must supply for themselves. Lounge and recreation areas, television, and a variety of other facilities and conveniences provide a pleasant setting for student life in each residence hall. Services are also available in a central location in the apartment communities.

Transfer Students
Transfer students are admitted both as resident students and as commuting students. Those transfer students who desire on-campus housing should indicate this at the time they apply for admission to the University.

Married Students
The University has no housing facilities for married students with their spouses or for students with children or dependents. Prior to registration, they will need to secure their own accommodations in the community.
