

DEPARTMENT OF EDUCATIONAL DEVELOPMENT

University College

Overview

222 Lawrence Center

610-436-3133

John Craig (jcraig@wcupa.edu), *Chairperson*

The Department of Educational Development is a cadre of University faculty who have specific and specialized administrative and/or teaching assignments at the University. While much of the assigned responsibility is to facilitate students' out-of-class learning and development, regular and non-classroom teaching are still included. Areas within the Department of Educational Development include Exploratory Studies academic advising, career advising, academic administration, tutoring, services for students with disabilities, and other articulated teaching and/or administrative assignments.
